“ Extending my sincere sympathies to Mrs. Rasicot, Julie, Gary and Family for the passing of Mr. Rasicot. I have so many great memories of growing up on Rees Drive, and spending time with the Rasicot Family, especially with Chistopher and his Mom and Dad. Hearing about Mr. Rasicot's (and Christopher's) passing makes me miss those days even more. May God bless you and your family in this time of sorrow.

“ My sincere sympathy to Charlie's family. Charlie was my boss at Pratt and Whitney in North Haven. He was a great guy with a good sense of humor. I speak of him often with the guys here at Pratt. RIP Charlie.

“ My deepest sympathy to the family of Charlie. I worked with & for him for many years. He always was a lot of fun to be around, and found humor in some unlikely events and situations when it was possible. Haven't seen him for many years, but his photo here tells the story of the happy guy that I knew. P. Max Mueller

“ Gary, Julie, and mom Rasicot. I'm sorry that I can not attend the service today but it is with great sadness after many years gone by that I'm writing to say how sorry I am to hear of your dad and husbands passing. I have many fond memories from our childhood in Oxford and I hope you know that I and my family have you in our thoughts and prayers at this difficult time. Condolences, Brian Blake and family.

“ Julie’s dad, Charlie, will be missed by the Dalys, where he always fit right in with the family and our varied and many members and friends, and where he had the ability to out-talk some of us with skill, confidence and humor. He showed us how he loved his wife, Vivian, his three children, and his grandchildren. Over the years we saw the love and affection Julie and Brendan’s kids, Natalie and Emily, had for him. A beautiful thing. Rest in love and peace.

“ My condolences to Charlie's family. Charlie always made me smile. I looked forward to each day visiting my mom at Brightview seeing and helping Charlie. Miss, can you show me to my room. where do you want me to sit? Slipping and sliding he would sing and dance. I only knew Charlie since June but boy will he have a lasting impression on me! I truly miss him and my heart goes out to the family. Thank you for sharing Charlie with us
