“ My birthday sister was a all around renaissance women. She knew how to do, cook, make, whip up a craft or two for every occasion. You said of me that you knew you were going to like me from my phone voice which is still puzzling to me because I think I have a rather heavy voice. You may be gone but the imprint you've made on many of us will go on. Rest well Cindy U - who.

“ My dear 'big sister' I just heard today of your going home with your parents. You took me under your wing and I always told everyone you were my big sister and thought me how to skate in Swan Lake
You are the most beautiful woman I ever had the chance to know. Love to Ted and the girls who I got the extreme to see again after many years.

“ So sorry and shocked to hear of Cindy's passing. I, too, was a former co-worker of Cindy's at Birmingham Group Health Services. She was such a lovely, kind person who was always willing to help you whenever she could.

My deepest condolences to the Urless family.

Sincerely,

“ I was sorry to hear that Cindy passed. I worked in the same department with her at HealthNet for many years. She was so upbeat every day always talking about her family, her shopping excursions or craft making. She was a lovely person. My thoughts and prayers go out to her family. Kathy Gentile. “ Dear Ted and Family, Our thoughts and prayers are with you as always, our hearts will always be here for you, we are family. Cindy was an incredible woman, wife, mother and friend. If you were lucky enough to be one of close friends, she was loyal and loving, she knew your secrets and your faults a still loved and respect to you anyway. Cindy stood by me, even if she didn't understand the why's. Her laughter, her love and her generosity were are greatest gifts. She has left us, only until we all meet up to share new stories and laugh. I love you, RIP my sweet friend.

“ My husband and I lived next door to Cindy and Ted from the day they got married. I remember when Shannon was born and Lisa came into their lives. Cindy always had a great smile and a strong happy laugh. Any time my husband and I came back to Ansonia Cindy would always take time to visit with us and tell us her strongest wish was to always find the home of her dreams on the lake. She always had a positive outlook with her illness and tried hard to deal with everything day by day. She is now at peace and without pain. Miss you Carolyn ferrara

“ Cindy was such a generous and caring person, always making or buying something to gift to her friends, neighbors and family. Ed and I will always have great memories of our times with her over the past few years. We sure wish we had met her earlier in life.
