“ So sorry to hear of Gino's passing. He was a very gracious and kind man. I remember the years we shared hunting in the fall at Carroll Lodge and how he didn't mind sharing his rock with me and the times we helped each other out with our harvest. Great memories and learning thanks to Gene. Sending my prayers, faith and strength to all of his family as he joins the rest of the crew at the poker table!

“ Debbie, Lori and Eugene,
I am so sorry to hear about the loss of your father. I have great memories from the family visits to Conn. The time I walked thru the screen door to the patio. Your parents were both amazing, Ida on the other hand was not too happy with me that

day. There are so many more memories I have. Joanne and Gene were both amazing when my parents passed. They were great people. Gene will be missed remember the good times and great memories you have. I am sure Gene is at the poker table now with Joanne, Mike and Rita, Elaine and Kirk and Marty and Ida (the ole boy and ole girl)
Please know you will be in my thoughts

“ My childhood is speckled with so many memories of our families together laughing and having so much fun. Its so deeply sad to think that all our parents are now gone, but those memories will forever bring me smiles and chuckles. You dad had the best smile, the biggest laugh, and the best heart. I know the emptiness that you must be feeling and wanted to say I'm sorry and am sending you lots and lots of love now and always. Shari and Paul. We will see you on Friday, but if there is anything we can do in the meantime, we are here, we are family. Love you.

“ Debbie, Lori Ann, Eugene and extended family,
We are deeply sorry for your loss. Dad was a gentile, kind, sweet loving man. His passing is one that will be felt by all for a long time. Please find comfort in the days, weeks, and months ahead, knowing he is back with Mom, as well as Stephanie and Lisa, and watching over them, just as he is now a Guardian Angel watching over all of you and us.
May you also find comfort knowing he is healthy in God's loving arms, and one day, we will all be reunited. Remember the good times...there were so many. He wouldn't want you sad.

We love you dearly and send our deepest condolences.
May God bless us all.

All our love and condolences,
Ernie and Brenda Lee (Anderson) DiGiovanni

“ Cousin Debbie and Charles, Cousin Lori-Ann and Jim, Cousin Eugene, Jim and Alyssa (and Hunter), Kyle and Brittany (and Charlotte),

I'm so sorry and saddened to hear about your loss of your father/grandfather. I have so many good memories of Uncle Gene. My childhood memories are filled with many reflections on how he and your mother ("Auntie") were very good to me. I fondly remember your parents letting Jason, Stacey, Eric, and I use the swimming pool at your old house in Newtown. Plus, there's the memories of the delicious foods that your father and mother would always share with me whenever I visited Oxford. Your parents were generous people with big hearts. I am sad to hear that Uncle Gene has passed away, however, I believe that he and your mother are now reunited in heaven along with their granddaughter Stephanie. My belief in the existence of a heaven is strong, so I hope that thought can give you all some comfort during these sad times.

Your father had a great sense of humor. I'll always remember how Uncle Gene is the one who let me try horse radish for the first time when I was around seven years old. Also, he's the one who first let me try venison for the first time when I was a young kid. Uncle Gene, I'm still putting horse radish on my sandwiches, and I'm still eating wild game meat whenever I get the chance to have it. Rest in peace, Uncle Gene. Thank you.

Sending all my prayers out to my cousins/their spouses and their kids/grandkids, and to Uncle Gene's sisters/their spouses and their kids/grandkids. Praying for you all during these tough times.

-Sean Gilligan, your cousin
