“ To the entire family - I just learned of the passing of Freddie this week and am so sorry for your loss! I have very fond memories of Fred through all of our years up at "Rabbit Hill Farm" with Merc and the gang! Fred roped with my Dad, John Ruggerio, and I will always cherish the lasting memories and lessons taught by Freddie. May he rest in peace and at least he is not alone in heaven, I'm sure him and Merc and my Dad and many others are re-living old times! Fondly - Kelly

“ Kathleen,  
When I was walking past your house this morning and saw the many cars outside, I knew that your dad was gone. I am truly sorry. I will miss seeing him drive by in the morning. He would always honk his horn softly, smile and wave hello. Please accept my deepest sympathy.

“ To the Scherer Family

You are all in our Thoughts and Prayers. May Freddie Rest In Peace! He will be missed! I could still picture Freddie and Paul Crotta and Johnny Grassi and Merc Hallaman all sitting together watching the roping, laughing and joking these four men were one of a kind! and now all together!
