“ My brother, you was always there for me and Mike whenever we needed you. You were kind, helpful, hard-working, and I remember you being a loving father to your beautiful daughters. The last time I saw you, you was in a lot of pain and I knew that you'll go to heaven soon to be with our Lord Jesus. I am glad you have no more pain on your body and now for sure you'll always keep that smile on your face. I will never forget you because you was my dear brother. Rest in peace and now sing with the Lord for eternity. Love always, Sattie

“ Bush, you will be missed dearly but I know that you will be watching over us all. We will never forget you. You will always be apart of our family and you will always live on through your daughters and through all the wonderful memories you created with your friends and family. I am sorry that you are gone as I know you truly wanted to be here with your cherished family. But on the other hand, I am glad that your suffering has come to an end and you are in the house of your lord. God bless your soul and god bless your family. You, Reena, Jennifer and Julia are all in my prayers.

“ "Bush" We will remember you mostly from your laughter and your young spirited personality. I can remember all the good times spent acting crazy with the fellas and realizing how much fun it was to be yourself around good people....I hope if there is a heaven, it is stock with cold and plenty of good people like you!! Look out for us all, as the angel you are and we will place you in our hearts forever! Goodbye Bush,

Love  
Kevin
